

Meet Our Executive Director

DEE MEDLIN

Come and enjoy the fun at **TerraBella Lake Norman!** We invite you to join us for lunch or dinner with our **Executive Director, Dee Medlin**, and learn more about our senior community.

Dee was born and raised in Mooresville, NC and graduated from Mooresville High School where she was a part of the state volleyball championship team. Dee's passion for senior living began in high school when she started her career right here at TerraBella Lake Norman as a concierge. Within the first year, she was promoted into the Business Office Director's role before recently becoming the Executive Director. Dee's passion drove her to study business at Appalachian State University where she obtained a Bachelor's Degree in Business Administration, with a primary focus in Management.

In effort to consistently provide the management principles, strategic thinking, and vital leadership skills required of a healthcare administrator, Dee will be continuing her education at Appalachian State this year to obtain a Master's Degree in Healthcare Administration. Her enthusiasm to support our seniors and provide guidance to her TerraBella team resonates throughout our community. With more than 14 years of experience in senior living, she will be happy to answer any questions that you may have!
